CMS-718-721	Business Proposal Forms for Quality Improvement Organizations (QIOs)
CMS-222-92	Independent Rural Health Clinic/Freestanding Federally Qualified Health Center Cost Report

Under the PRA (44 U.S.C. 3501-3520), federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information they conduct or sponsor. The term "collection of information" is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) and includes agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA requires federal agencies to publish a 60-day notice in the Federal Register concerning each proposed collection of information, including each proposed extension or reinstatement of an existing collection of information, before submitting the collection to OMB for approval. To comply with this requirement, CMS is publishing this notice.

Information Collection

1. Type of Information Collection Request: Revision of a previously approved collection; Title of Information Collection: Business Proposal Forms for Quality Improvement Organizations (QIOs); Use: The submission of proposal information by current quality improvement associations (QIOs) and other bidders, on the appropriate forms, will satisfy our need for meaningful, consistent, and verifiable data with which to evaluate contract proposals. We use the data collected on the forms associated with this information collection request to negotiate QIO contracts. We will be able to compare the costs reported by the QIOs on the cost

reports to the proposed costs noted on the business proposal forms. Subsequent contract and modification negotiations will be based on historic cost data. The business proposal forms will be one element of the historical cost data from which we can analyze future proposed costs. In addition, the business proposal format will standardize the cost proposing and pricing process among all QIOs. With well-defined cost centers and line items, proposals can be compared among QIOs for reasonableness and appropriateness. Form Number: CMS–718-721 (OMB control number: 0938–0579); Frequency: Annually; Affected Public: Business or other for-profits and Not-for-profit institutions; Number of Respondents: 20; Total Annual Responses: 20; Total Annual Hours: 1,000. (For policy questions regarding this collection contact Clarissa Whatley at 410-786-7154.)

2. Type of Information Collection Request: Extension of a currently approved collection; Title of Information Collection: Independent Rural Health Clinic/Freestanding Federally Qualified Health Center Cost Report; Use: Providers of services participating in the Medicare program are required under sections 1815(a) and 1861(v)(1)(A) of the Social Security Act (42 U.S.C. 1395g) to submit annual information to achieve settlement of costs for health care services rendered to Medicare beneficiaries. In addition, regulations at 42 CFR 413.20 and 413.24 require adequate cost data and cost reports from providers on an annual basis. The Form CMS-222-92 cost report is needed to determine the provider’s reasonable costs incurred in furnishing medical services to Medicare beneficiaries and reimbursement due to or due from the provider. Form Number: CMS–222-92 (OMB control number: 0938–0107); Frequency: Annually; Affected Public: Business or other for-profits and Not-for-profit institutions; Number of Respondents: 3,264; Total Annual Responses: 3,264; Total Annual Hours: 163,200.
